

## CASE RESULTS - OVERVIEW

<b>Employment Authorized</b>	The employee's information matched records available to SSA and/or DHS.
<b>Verification In Process</b>	This case was referred to DHS for further verification.
<b>Tentative Nonconfirmation (TNC)</b>	Information did not match records available to SSA and/or DHS. Additional action is required.
<b>Case in Continuance</b>	The employee has visited an SSA field office or contacted DHS, but more time is needed to determine a final case result.
<b>Close Case and Resubmit</b>	SSA or DHS requires that you close the case and create a new case for this employee. This result may be issued when the employee's U.S. passport, passport card, or driver's license information is incorrect.
<b>Final Nonconfirmation</b>	E-Verify cannot confirm the employee's employment eligibility after the employee visited SSA or contacted DHS.
